Dear Paul,

On behalf of the Board of Directors of the Insurance Brokers of Toronto & Region, I would like to thank you for your outstanding service with providing us Michael "Pinball" Clemons to appear at our December 18, 2002 Christmas Luncheon. The event was truly successful, and your marketing firm was a large part of the orchestration of this for us.

You were always accessible to myself, and always would followup with us for this event. It was a pleasure doing business with your firm, and we look forward to doing business with you in the future.

Thanks again, and all the best for 2002.

Best Regards,
Insurance Brokers of Toronto & Region
