Otis Nixon

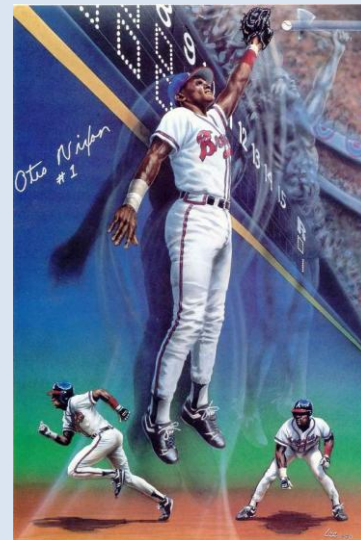

Otis had a very interesting playing career in major league baseball. He has had a similarly interesting life outside of baseball.

In his 17 season career, Otis was well-travelled having played for 9 different teams. He started with the New York Yankees in 1983 but didn't last long in the Big Apple as the following year he was with the Cleveland Indians where he spent 4 years, his longest time in with any team. In Cleveland, he didn't get many at-bats but showed the speed that he was known for. In 1988, he began the first of 3 seasons with the Montreal Expos where he started to get some playing time. In 1991, he moved on to the Atlanta Braves for another 3 seasons. Here he stole 160 bases in 3 years in addition to a batting average hovering just below the magic .300 mark. Then Otis' travels began. In

order he played for Boston Red Sox, Texas Rangers, Toronto Blue Jays, Los Angeles Dodgers and then back to the Braves to finish up his career in 1999.

But Otis is remembered for other things as well. In a baseball context, he is remembered for an amazing over-the-wall catch in 1992 which made all the highlight reels. However, Otis is also remembered for his battles with drugs and with the law. He was arrested on drug charges in 1987 and was suspended from baseball in 1991 for cocaine use. He admits that he was a man out of control.

Otis is proof that it is never too late to turn one's life around. Otis is finally clean and sober and runs On-Track Ministries. If your organization is looking for a speaker who is transparent in his life struggles, confesses his shortcomings and focuses on overcoming obstacles in life, then Otis is your man.
